5 STAR MISSION STATEMENT

5 Star Commitment to Family and Community

5 Star Communications exist to serve the communities of where we are located. We are here to offer a voice for the listeners of our stations so that they may be informed and kept up to date on the latest news and events that affect our listeners. We strive to give our listeners a steady voice in tough times, and we also strive to share in our listeners' celebrations. That is why we want to be where you go when you need to know. Our dedication to the local news and weather will provide our community a sense of pride, and a sense of preparedness.

5 Star Communications also exist to help our communities by offering competitive advertising, as we believe in the "Shop Local" mentality. Our advertisers expect us to offer great service, and in return, we will provide a voice for them to reach their potential consumers. 5 Star Communications is dedicated to providing great service for our clients and helping them reach their highest goals.

5 Star Commitment to Fun and Entertainment

We are committed to helping our community become an enjoyable place to visit by providing great entertainment through our airwaves, and through our events that we host. We are dedicated to promoting our communities through our advertisements and through our sponsorships of local events. 5 Star Communications is a believer in having a great time through our programs that we offer, and through the music that we provide. We will continuously make available our radio personalities to further our ideals of being a fun and entertaining aspect of the community.

5 Star Commitment to Advanced Technology

Through our commitment to our community, we are dedicated to providing the advance

technology in order to fulfill our clients ideals and goals. We as a communication provider will always strive to keep up to date on technology as it is aways evolving. As we become aware of such advances, we will strive to work towards providing our community a way to become involved in the ever-growing technology. By allowing us to serve the communities with advance technology, we will become the place you need to go when you need to know.

At 5 Star Communications, we strive to being local, family-friendly, fun, entertaining, and up to date technologically. We strive to be where you need to go when you need to know.
